WARNINGS

This item is for indoor and outdoor use.

Please read all instructions and warnings before use.

Keep away from children & pets.

Do not operate this item whilst still in the packaging.

The LED lamps are not replaceable.

If there is any damage or breakage to the electric wire, please dispose of safely.

It is very important that this product is NEVER DIRECTLY connected to the mains supply without the supplied transformer.

The transformer is only suitable for indoor use.

Do not try to connect this set electrically to another set.

If there is any damage or breakage to the electric wire, please dispose of safely.

Ensure that cables are fully unwound and sited where they will not become damaged or present a tripping hazard.

Do not secure the wiring of this product with staples or nails.

Do not close doors or windows on the product, as this may damage the wiring insulation.

Do not submerge this product in water (e.g. puddles, guttering or ponds).

Do not overload wall sockets. Use different sockets around the house to plug in multiple lights to balance the load.

Do not damage the insulation of cable or LED holder.

Do not lay the cable under carpet or where it can be damaged.

Do not completely cover the LED with decorations & other flammable materials. Ensure adequate airflow around each LED.
