76 LED USB-C POWERED RGB LED TREE TOPPER

INDOOR USE

## TITLE

---

# Twinkly Tree Topper 76 Smart RGB + Warm White LEDs, USB-C powered, Indoor Lighting Decoration

## DESCRIPTION

---

Let your tree tell a spectacular story with the Twinkly Tree Topper featuring patented smart LED technology. This defining element syncs with any Christmas tree adorned with Twinkly lights to act as a single screen-like LED display.

Use the app to play presets, customize, and create your own effects and animations that shine with extraordinary vibrancy in over 16 million colors, including warm white. USB-C power supply not included.

## FEATURES

---

This stunning star-shaped tree-topper features ultra-vibrant, smart LEDs that shine with extraordinary brightness to complete any Christmas tree decorated with Twinkly lights.

Instantly configurable via Bluetooth® and Wi-Fi, use the Twinkly App to map the LEDs with your smartphone camera. Play and customize stunning effects and animations or create your own from scratch using a palette of over 16 million colors.

The Twinkly Tree Topper seamlessly groups and maps with your Twinkly tree lights to act as a single synchronized installation. Group and map with other Twinkly lights for unified Christmas displays.

Twinkly smart lights are compatible with Amazon Alexa and Google Assistant for hands-free voice control.

Use with Twinkly Music and watch lights dance in real time to your favorite songs.
